

Residential Roof System

1L2 Installation Unit | Powered by MagicFrame(TM)

INSTALLATION UNIT	MODULES / UNIT	CAPACITY / UNIT	
1L2	2	0.88 kWp	1 pallet

KEY SPECIFICATIONS

PV Module	GStar GSD7S54T-440WT
Module Layout	2 modules, landscape
Module Size	1722 x 1134 x 30 mm
Roof Types	Tile / shingle / metal
Rails	Aluminum, anodized black or mill
Roof Interface	M10-250 SS hanger bolt + AL flashing
Reference Snow Load	3600 Pa - verify project basis
Reference Wind Load	2400 Pa - verify project basis
Grounding	Integrated
Structure Warranty	25 years

SYSTEM COMPONENTS

- PV modules with MagicFrame interface
- Aluminum rails
- Roof attachment hardware
- Flashing and accessories
